

## Private Schools

- There are 110 private schools in San Francisco County serving 25,900 students.
- Minority enrollment is 56% of the student body which is more than the CA state average of 43%.
- 51% of San Francisco County private schools are religiously affiliated (most commonly Roman Catholic and Jewish).
- The student:teacher ratio of 11:1 is lower than the state private school average of 12:1.
- The average private tuition fee for elementary school is \$14,971 and \$26,055 for high schools.
- The average acceptance rate is 61%, more than 20% lower than the state and national averages.

## Public Schools

- There are 143 public schools in San Francisco County serving 58,592 students.
- Minority enrollment is 87% of the student body which is more than the CA state average of 44%.
- The student:teacher ratio of 22:1 is lower than the state public school average of 25:1.
- At every grade level tested, San Francisco’s public school students score “proficient or above” on mathematics and English language arts assessments at a rate greater than the state average.
- Note: Blue ribbon schools are awarded yearly and therefore change year to year.
